» ON OUR RADAR «

● **STYLISH AND FUNCTIONAL** New Arcade rubber sheet flooring requires fewer seams due to its six-foot widths. It is slip-resistant and absorbs shock to provide comfort as well as noise and impact control. FloorScore-certified and phthalate- and halogen-free, it can be installed using low-emitting, water-based adhesives. It is available in 2mm and 3mm gauges and a wide range of colors.

Johnsonite • www.tarkettna.com

● **SIMPLY ELEGANT** The Virtue collection of porcelain tile captures the aesthetic qualities of the world's purest marbles blended in a single shade of subtly veined white in two authentic finishes: unpolished and satin. Virtue contains 4 percent pre-consumer recycled content and is Green Squared-certified through the Tile Council of North America for its proven standards of sustainability.
